The Event

This Gravity Enduro is the forth round of the 2026 NSW Gravity Enduro series. It will be conducted under the general rules for cycling as published by the UCI but specifically the current AusCycling Mountain Bike Technical Regulations.

Also being adhered to will be the AusCycling Technical Regulations 2025 – NSW State Gravity Series – Enduro.

Running of the event

The event will be conducted over the following stages:

- E-bikers – 5 stages and 3 liaison sections
- U13 – 3 stages and 3 liaison sections (1 liaison section shuttled and 2 liaison sections ridden)
- All other categories - 4 stages and 4 liaison sections

Timing

Timing will be carried out using the SPORTident Air timing systems provided by The Mount Borah Mountain Bikers (MBMB). Results will be published here.

Information for athletes How to prepare and use the SIAC — Information for athletes :: Datasheets :: SPORTident Documentation

Timing Chips

Will be available for collection from the Event Centre approximately 30 minutes before each riders start time for Liaison 1 on Sunday.

Once handed out. Timing chips are the responsibility of the participants. Failure to return a chip after the event will result in a DNF/DQ for the participant. Participants will be subject to a fee of $130 until the chip is returned to the event organiser.

Participants are required to return their timing chips immediately after finishing their race.

Start Order

Start order for the event will be determined by the PCP.

PCP for the event is Mr Ivan Herman.

Late Time Limit

Riders should adhere to the start list stage start times. Failure to meet these times will subject a rider to time penalties in accordance with the technical regulations. Once the course has been completed each rider will have **30 minutes** to return the timing chip to the Event Centre. Once this is exceeded a rider will be classified as “Did Not Finish”.

Riders Start list

Individual Start times will be published in the week prior to the Event.

Example of Start List (E-Bike, U13, U15).

EXAMPLE ONLY

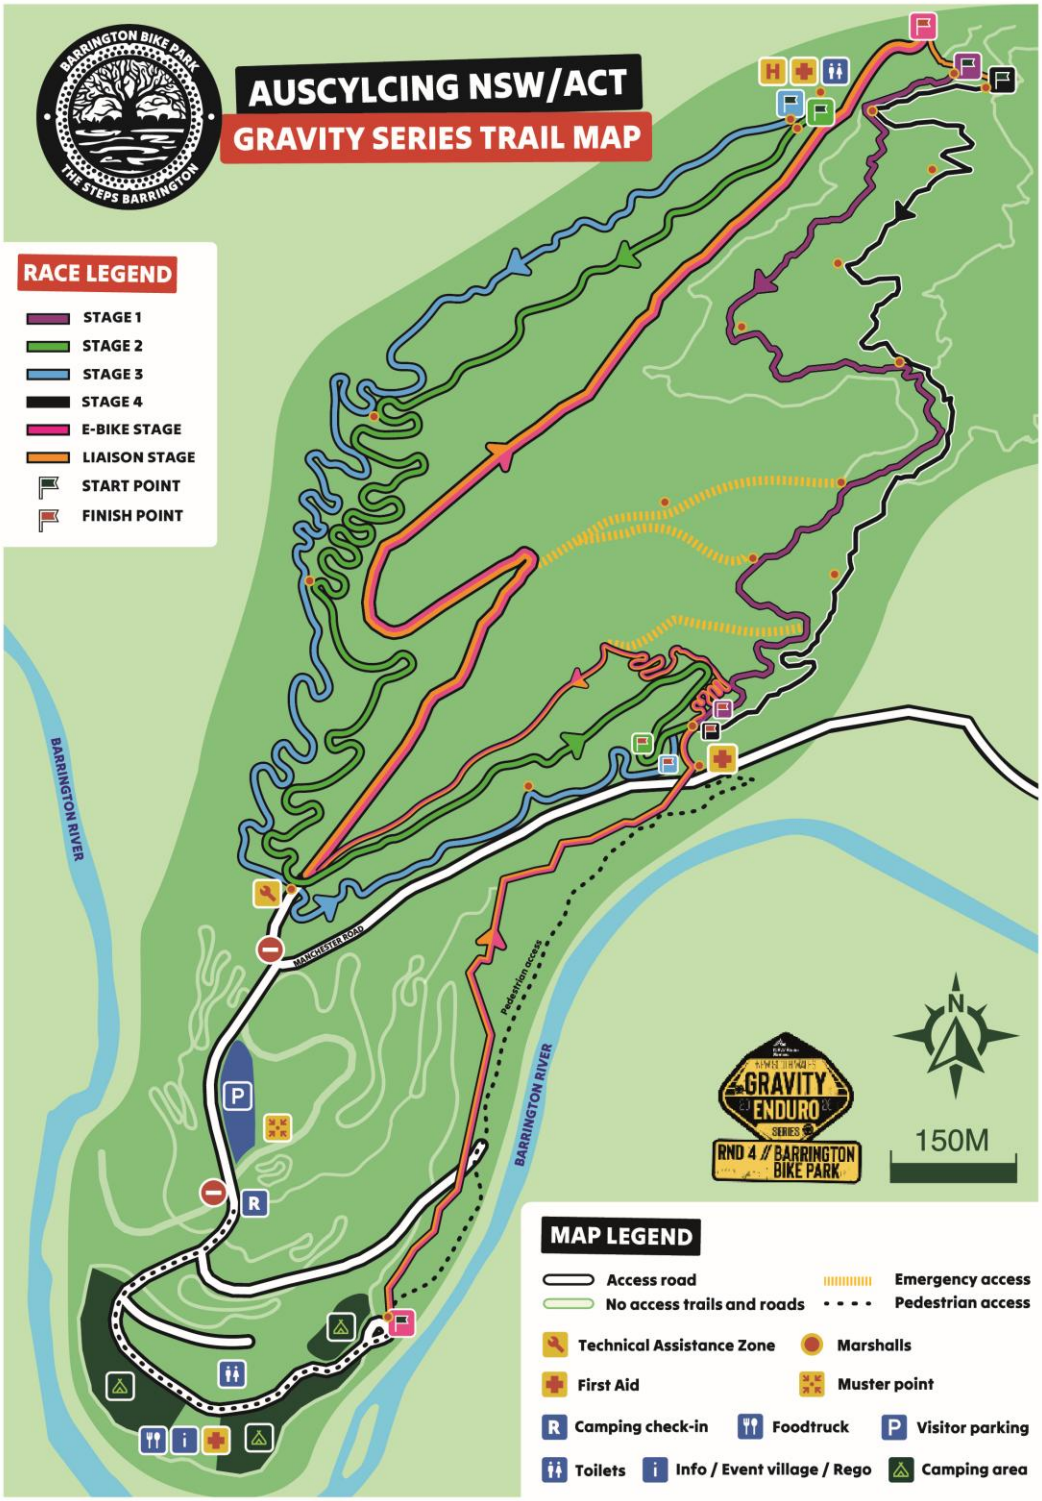
Event Village

Food and drinks are available over the weekend. Be patient if there are large crowds over the lunch period.

The amenities block is opposite the Event Village and port-a-loos will be available on the course.



Insurance

Organisers and participants at The Event are covered under the AusCycling Limited and all affiliated Clubs insurance as per.

AusCycling members insurance program | Marsh Australia

Shuttles

Friday

Barrington Bike Park will be providing shuttles on Friday 14 August as per normal operations.

Full day shuttles: You must check-in at the office with photo ID (18 and over) prior to commencing shuttles and be issued with a wrist band. First shuttles will leave from the office starting at 9am. All subsequent shuttles will leave from The Cove. Last shuttle is at 3:30pm. You must check-out at the office when you finish riding.

Afternoon shuttles: You must check-in at the office with photo ID (18 and over) prior to commencing shuttles and be issued with a wrist band. First shuttles will leave from the office starting at 12:30pm. All subsequent shuttles will leave from The Cove. Last shuttle is at 3:30pm. You must check-out at the office when you finish riding.

There will be no marshals on course on Friday. First aid will be available at the office. There may be some bunting and signage in place and/or staff on course. Please be courteous and understanding.

Friday afternoon shuttles are currently fully booked. Contact Barrington Bike Park to be placed on a waiting list or to upgrade from afternoon shuttles to full day shuttles. Friday morning shuttles can be booked here.

NO SELF-SHUTTLES are permitted at any time. Only authorised vehicles are permitted on the Barrington Bike Park property. Riders that self-shuttle will not be allowed to race this event.

NO PEDAL UP is permitted at any time. Riders that pedal up will not be allowed to race this event.

Saturday

Shuttles will be provided by Barrington Bike Park during official practice on Saturday. Only race trails will be available to ride, bunting will be in place.

You must check-in at the event centre or the office with photo ID (18 and over) prior to commencing shuttles and be issued with a wrist band. First shuttles will leave from the event centre starting at 8:30am. All subsequent shuttles will leave from the event centre (no shuttles will pick up from The Cove). Last shuttle is at 4pm. You must check-out at the event centre or the office when you finish riding.
Shuttle times have been extended to allow time for all riders to access the race trails. Please be patient and courteous throughout the day.

Return to the shuttle point involves crossing a public road. Slow down, take care and look for vehicles. A marshal will be present.

No other marshals will be on the course. First aid will be available at the Event Centre.
Saturday shuttles are currently fully booked.

NO SELF-SHUTTLES are permitted at any time. Only authorised vehicles are permitted on the Barrington Bike Park property. Riders that self-shuttle will not be allowed to race this event.

NO PEDAL UP is permitted at any time. Riders that pedal up will not be allowed to race this event.

Sunday
Under 13s will be shuttled to the start of stage one.

NO SELF-SHUTTLES are permitted at any time. Only authorised vehicles are permitted on the Barrington Bike Park property. Riders that self-shuttle will not be allowed to race this event.

Rider Equipment

All riders must wear a **full-face helmet** at all times during competition. Barrington Bike Park has a limited number of full-face helmets available for hire at the office. We encourage you to pre-book if you require a helmet for the race.

Mandatory Safety Equipment for Juniors (Under 13, 15 and Under 17 categories).

- Full-finger gloves must be worn;
- Full length jersey – jersey must cover elbows at all times;
- Knee pads and elbow pads must be worn.

It is strongly recommended that all competitors carry:

- A time keeping device (to manage your timed liaison stages
- Suitable backpack
- Waterproof jacket
- Emergency blanket
- Water
- Innertubes/ puncture repair kit
- Multi tool
- A basic, well maintained first aid kit (including wax strips)
- Map
- Food and fluids
- Eye protection (glasses or goggles)

Rendering Of Assistance

It is expected that riders participating in Enduro events will continue to participate in a way that places the safety of riders above other considerations. As such no person should ever feel penalised or discouraged from stopping to assist another injured rider. Any rider who comes across an injured rider must stop to render assistance, unless directly indicated by the injured rider that they do not require assistance. They should instruct the next rider to pass to notify the next marshal point of the incident, location, and perceived severity. All riders who stop to render assistance will be awarded a time for that special stage equal to no more than 10% more than the winning time of that stage in the category they are entered.

Technical Assistance Zone (TAZ)

There will be a Technical Assistance Zone (TAZ) along the liaison section of the race. All riders that commence the race must carry sufficient food, water and spares.

Riders can deliver items that they require for the day to this TAZ in one of two ways. They can walk their gear to the Technical Assistance Zone on Sunday morning prior to their race commencing or load it into the trailer at the Event Village. All gear must be:

- Fully enclosed in one bag
- Clearly labelled with the rider's name
- Loaded into the trailer by 8am Sunday

The trailer will return to the event village after racing.

Vehicle access to the TAZ is not permitted.

NO OTHER STASHING OR CACHING IS ALLOWED.

Allowed assisted mechanical repairs can be completed at any time during riders' liaison time at the TAZ. Basic workshop tools may be available in the TAZ. Allowed replacement parts such as tyres, tubes, chains, cables and basic brake components may be available for purchase at the office/event village prior to the race.

Parents are only to assist Junior (U13, U15 and U17) riders within TAZ .

Any competitor receiving outside assistance (Outside TAZ) from a non-racer without prior agreement from the Commissaires will be disqualified. This includes using team staff/outside help to carry equipment around the course or perform repairs during the race.

Water

Drinking water is available at the main amenities block, opposite the Event Village. Drinking water will be provided at the Technical Assistance Zone on Sunday. Please ensure you bring plenty of water carrying capacity.

First Aid

Any incidents or accidents must be reported to the First Aid Principal as soon as possible.

Spectators

Spectators can access the race trails at The Cove via The Cove Walking Trail. Spectators cannot ride bikes on the shuttle roads or any race trails. Any bikes without race plates seen on Barrington Bike Park during racing will result in a penalty for the associated rider.

Any Spectators/Day Visitors, must register at the office on arrival.

Camping

Camping is available at The Steps Barrington, adjacent to the Event Village. Camping at The Steps Barrington is currently fully booked. Alternative, accommodation/camping is available in Gloucester/Barrington.

If you would like to be camping with friends, please advise The Steps Barrington as soon as possible so that you can be allocated to the same camp zone. Changes to camp zones may not be available on the day. Please be mindful of the large number of campers and fill camp zones from the river end to the road. All campers must **check-in** at the office on arrival.

There will be a food truck and coffee van available throughout the weekend. The nearest town, Gloucester, is approximately 30 drive away.

Further information

Further information will be available through our socials and website. Or, you contact us at ride@barringtonbikepark.com.au or 0265582093.

Maps and Course description

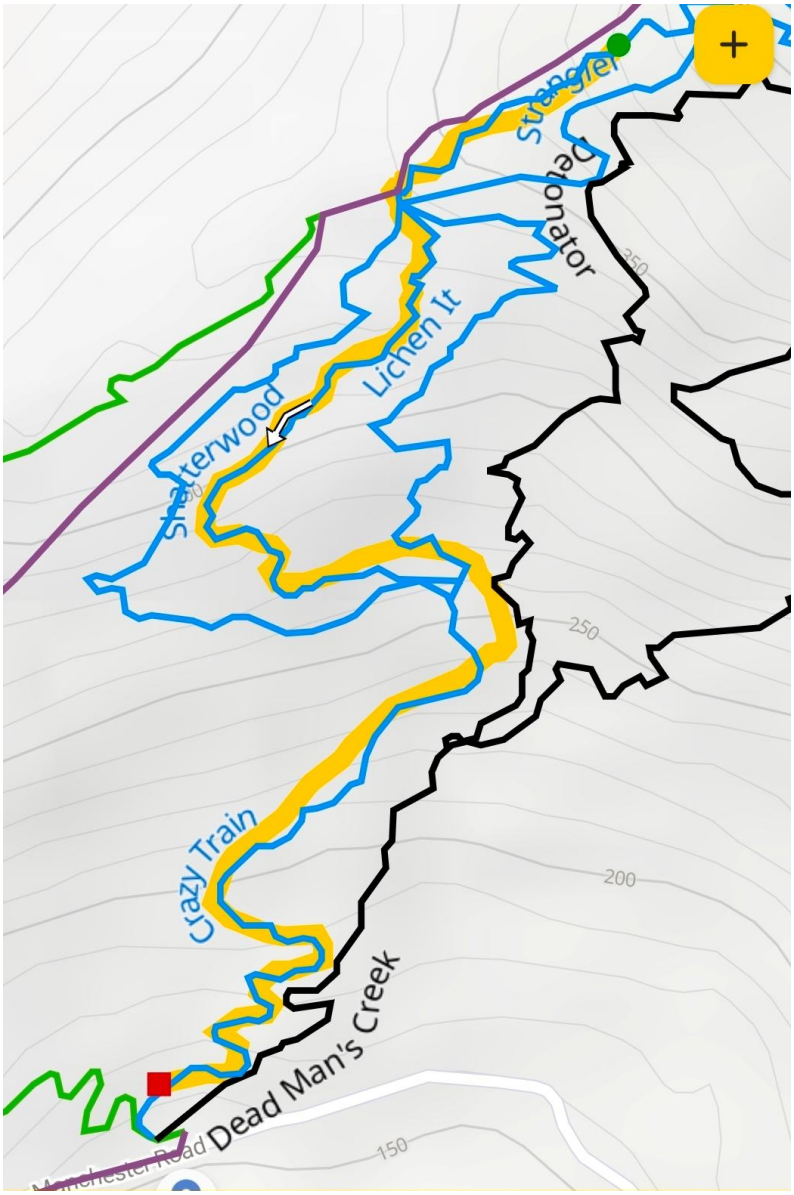
Liaison 1 - (Also the E Bike Power Stage)

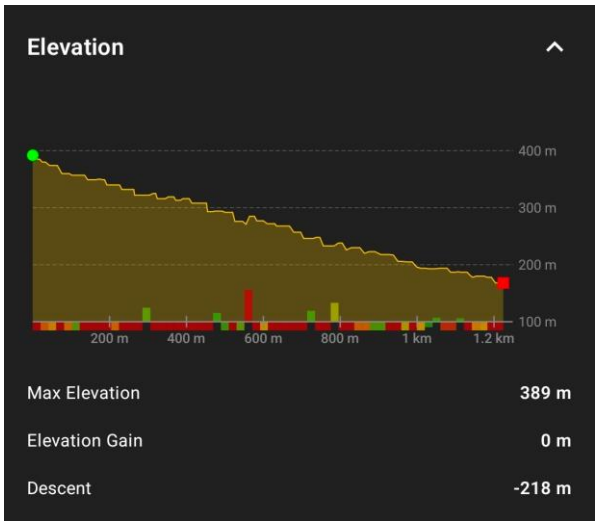
Start to Stage 1 (Except U13).

From the Event Village to The Cove, up the climbing trail to the shuttle road and then up to the emergency access trail. There's some pretty awesome views over the river along the way if you have the time to look over your shoulder.

Stage 1

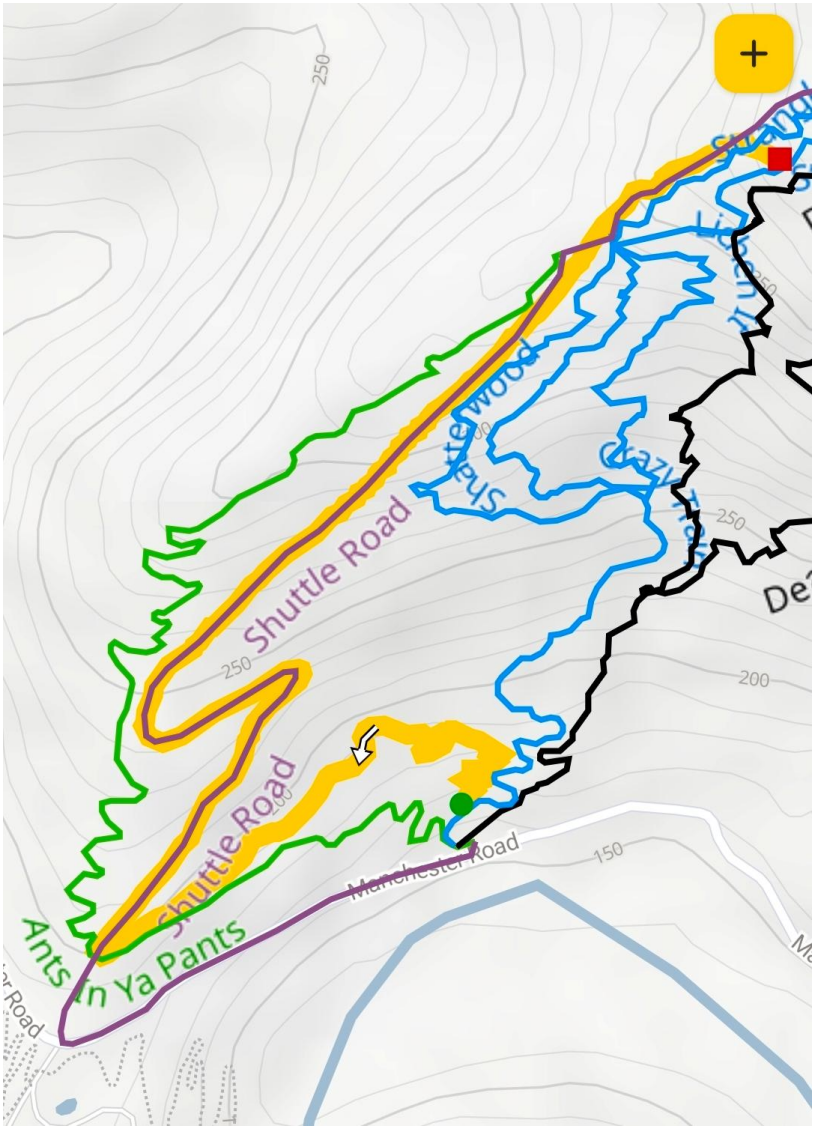
Start with a short run on “Stinger”. Then into “Shatterwood” for some great tech and finally onto “Crazy Train” all the way to the bottom.

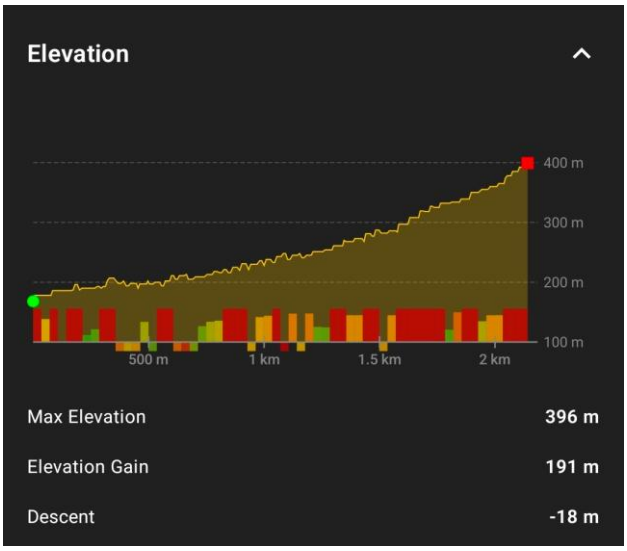




Liaison 2 and 3

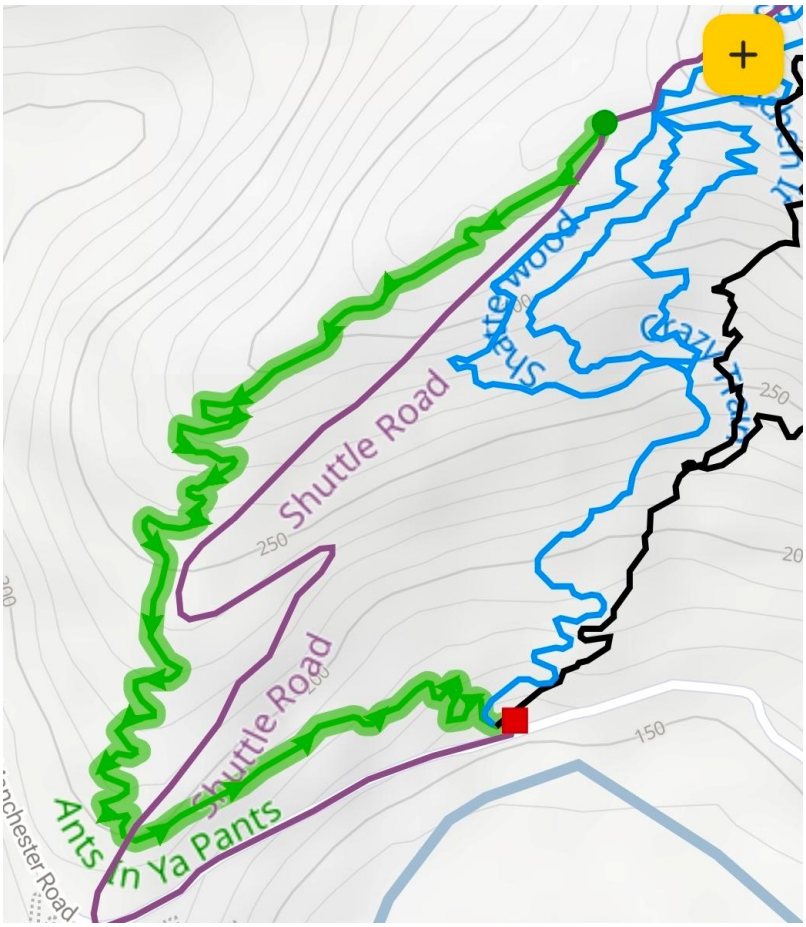
Back up the climbing trail to the shuttle road, then up to intermediate.





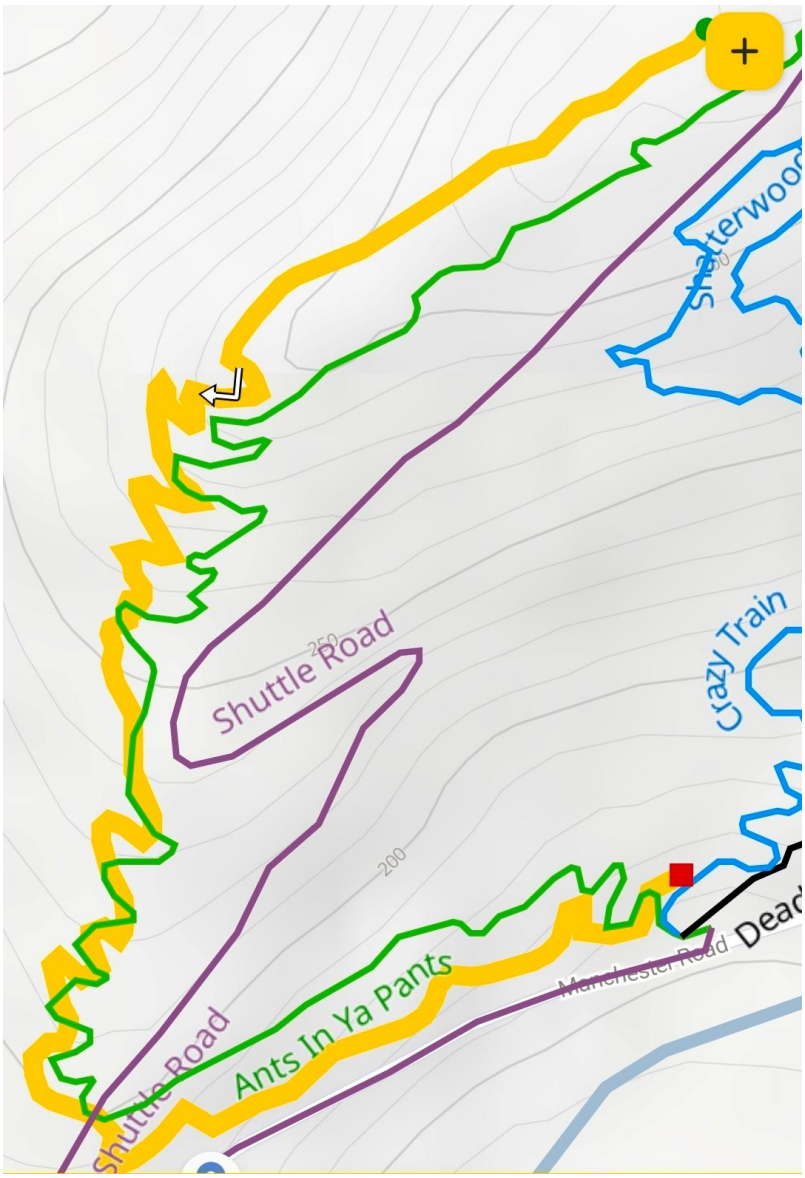
Stage 2

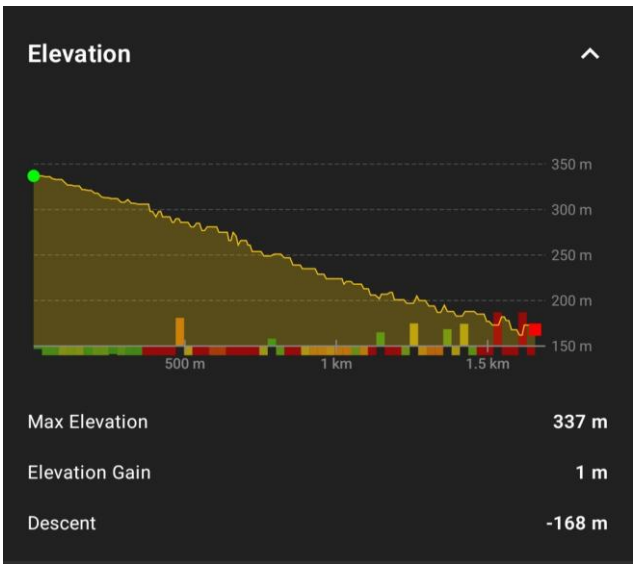
“Ants in Ya Pants”. All flow back down to The Cove. Be careful crossing the shuttle road.



Stage 3

“Flow Your Mind”. Try not to have too much fun on this air flow trail.

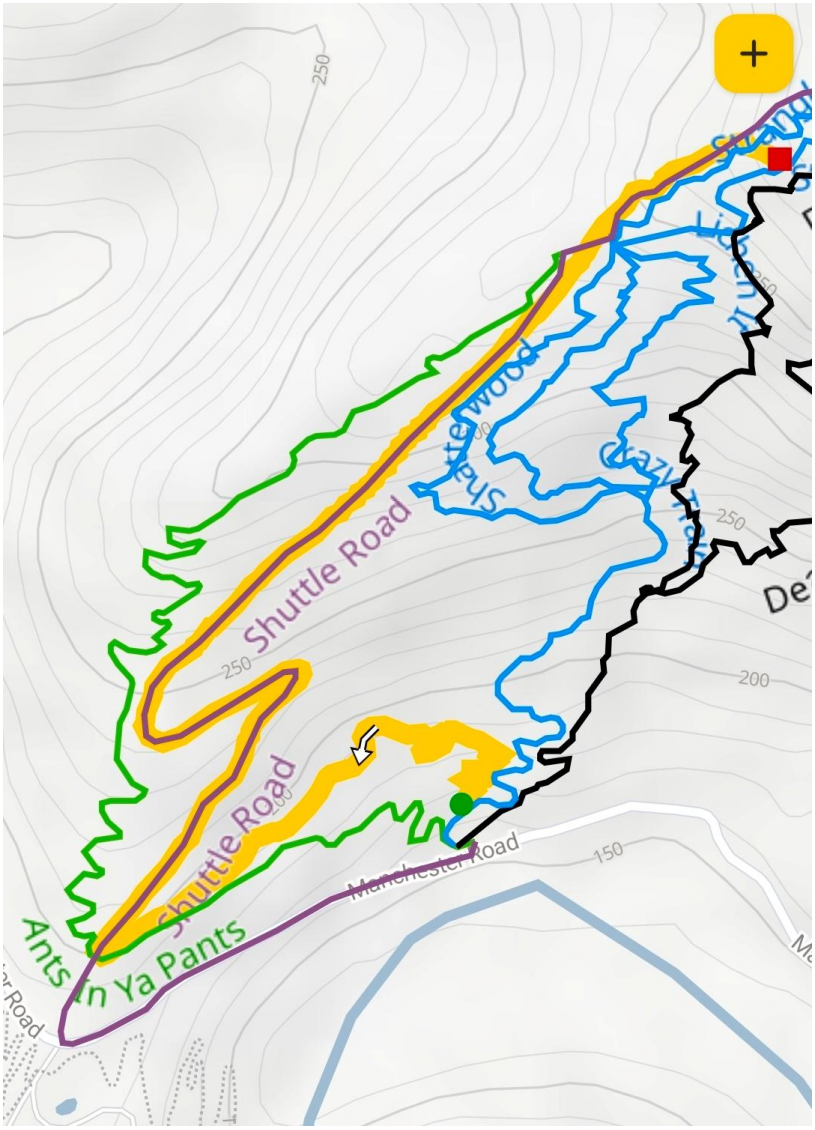


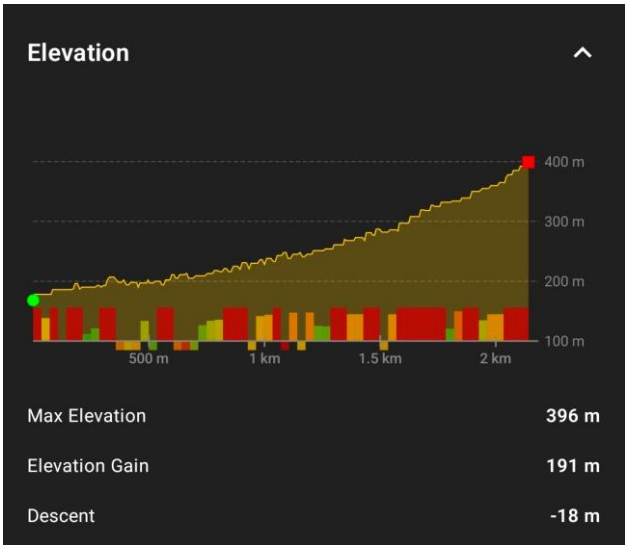


.

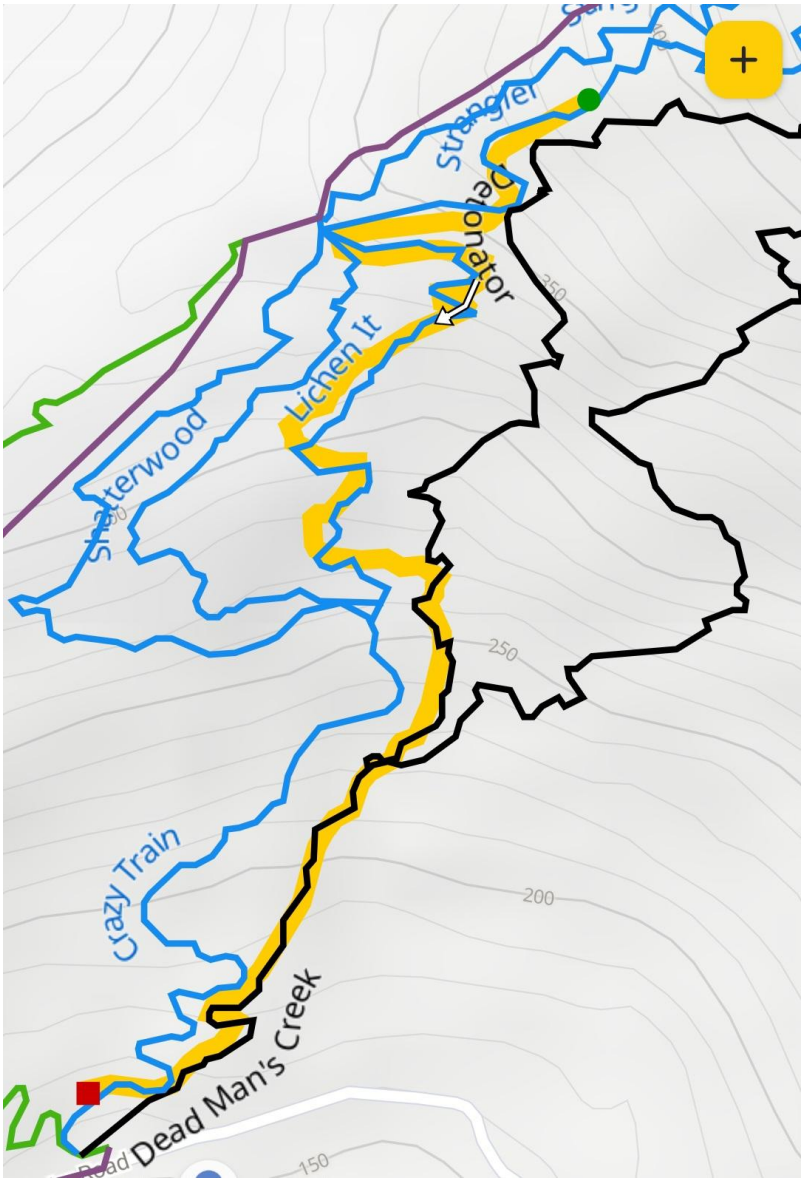
Liaison 4

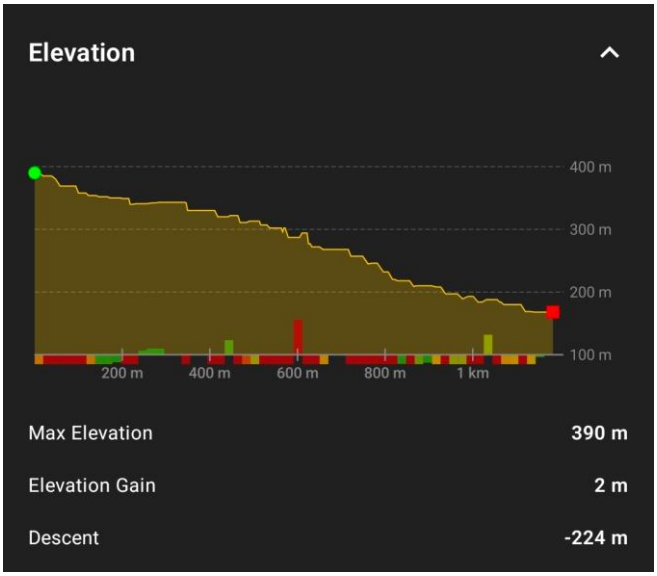
Here we go again. Up the climbing trail to the shuttle road. Up the shuttle road to the emergency access trail.





Stage 4

U13s do not ride this stage.




Drop into “Strangler” and then onto “Lichen It”. Watch out for the root of death and the stinging trees. From “Lichen It” to “Detonator” and then down to The Cove one last time. Watch out for the black jump line and go around it if you need to.
